Chip Shop News

January 1st 2026

Local Chip Shop Is Recognized Amongst The Top 40 Nationwide For The 2nd Time!

The Hilton Chip Shop has once again been recognized for their hard work, effort and attention to detail by being awarded with a place, or should we say “Plaice” in the Top 40 of the prestigious National Awards, held each year in London!

The chippy was first recognized in 2025 shortly after the owners Jamie & Grant (pictured at the awards) invested in a significant refurbishment of the chippy and revamped the menu to focus more on improving the “freshness and quality” of products as well as introduce more “homemade” menu items! The pair contribute their success to prioritizing the importance of fresh ingredients, cooking fresh to order and the hard work and support of their team of staff.

Local Chip Shop Wins Big In Scottish Awards

Hilton Shop has been recognized and awarded in the category of “Best Customer Service” at the Scottish awards held at the end of 2025 in the heart of Glasgow City Center!

Staff members Darren and Danni-Jayne (Pictured) were chosen to represent the team at the awards which were held in November 2025. Both team members thoroughly enjoyed the experience and the pair would be keen to represent the chippy and community again in the future! “We would like to thank all of our amazing customers who have voted for us and supported us through this amazing journey!”

Chippy Challenge
